Dear Family and Friends,

As you know, we have some very ambitious fundraising targets this year in the hope we can make some significant improvements in the schools IT resources. These fundraising efforts are very reliant on the support of the community and you our school families and friends, so your participation is vital to us!

This year, the Fundraising Committee has decided to run a Chocolate and Healthy Snack drive which will commence in March. Unlike other years, however, we will need your commitment up front to purchase/ sell on to family and friends these products. The suppliers are no longer taking product back so we need to gain accurate orders before the product is delivered.

Please have a look through the details below of the varied ways in which you can support the school and then choose carefully which ones you would like to buy/ sell. All order forms need to be returned to the P&C box in the school office by **Monday 9th March**.

All monies will be collected four weeks after the product has been delivered to your child.

We appreciate your support and help with this project.

On behalf of the P&C Fundraising Committee.

No Thanks But I Want To Help!

We understand that not everyone wants to participate in these types of food fundraising projects. If, however, you would like to donate the \$20.00 profit that your participation would have raised we really appreciate it. (Please put either a cheque made out to Belrose P&C or money in an envelope with the attached form).
