

BELROSE OSHC CENTRE

Primary OSHCare commenced the management of the Belrose OSHC Centre in January 2008.

The Centre aims to provide a fun, relaxing, caring and stimulating environment for all children, as well as to be a resource for families. The centre philosophy is based upon the recognition of children's unique interests and capabilities and the program is structured and planned accordingly each day.

Children are offered a range of activities which suit their individual learning and social needs. Homework and other clubs, such as cooking and art and craft are offered to children with special interests. A wide variety outdoor and sports activities are planned and implemented within the range of outdoor school settings. Staff work closely with the school to enhance children's learning and to assist in the integration of a whole school community.

The Centre is co-ordinated by Dez Loustos, who holds a Diploma and many years experience in the education field. Dez is assisted by Peter Bunston, also a qualified Childcare worker.

Centre Policies and procedures are comprehensive and are based on the Quality Improvement and Accreditation system implemented by the National Childcare Accreditation Council. The Centre has commenced the Self Study process and will submit its first self study report in July 2009.

A stimulating and exciting Vacation Care program is offered during each school holiday period. A variety of excursion and Centre based theme days are offered to the children. Popular days have been IMAX, a day at the Movies, Talent Quest and Wheels Day.

Enrolment at the Centre is by the completion of forms and payment of an annual Registration Fee. Bookings can be made for permanent (regular) sessions or casually on or before the day that care is needed.

Full enrolment information, including an Information Book and fees schedule, is available on request.

Fees are subsidised by Childcare Benefit, by application to the Family Assistance Office.

OSHC operates MONDAY to FRIDAY

Mornings: 7.00am – 9.00am

Afternoons: 3.00pm (earlier in Term 1 to accommodate early Kindergarten finish times)
– 6.00pm
