Welcome back to Term 4 which again will be a very hectic and activity filled time. I hope everyone had a safe and enjoyable break. Welcome to Murray and his family who have joined us this term.

Kindergarten orientation will take place on Tuesday 28 October. This will be an opportunity for the parents of children commencing school in 2015 to get together and find out a little more about our school as well as meet other parents. It will also be the first opportunity for the children to work together as one large group in the classroom.

Joshua, Jack, Mitchell, Thomas and Breyton will be attending the 2014 Boys Vocal Workshop on Monday at Neutral Bay public School. The boys will be learning lots of different singing techniques in workshops. We wish them a successful day.

Monday’s assembly will commence at 2.15pm not at the regular time of 2.30pm.

PSSA sport commences for Term 4 this Friday. Children are reminded that they need to wear their sports uniform and hat and appropriate footwear and socks. Children also need to bring a water bottle.

If parents have changed contact information (address, emergency contacts etc.) or if there has been a change in the medical status of their child/ren, could you please contact the office so that adjustments to records can be made.

There will be a P&C working bee at the school on Sunday 19 October to spread mulch and replace the logs in the garden beds at the front gates in Ralston Avenue. If there are any parents who can give us an hour or two on Sunday 19 it will be greatly appreciated.

Cricket
Belrose vs Allambie Heights @ Wyatt Oval

Softball and T-Ball
Belrose vs Allambie Heights @ Belrose School

T-BALL A
We had a great game, we got heaps of catches and heaps of home runs. It was a really hard choice because everyone played their best but I can only choose one player of the match and that goes to Tayne. Well done Tayne.  
By Jai S

T-BALL B
On Friday we played our first T-Ball game against Killarney Heights. We had an amazing game, it was a close game and the score was 24-22 Belrose way. I could choose lots of people for player of the match but I have to choose Luke F. He made an amazing hit and got Jalen, Hurshwin, Isaac and himself home. We had a good game and we had heaps of fun on the last day of school. Keep it up boys!!!
By Zac

SENIOR CRICKET
It was our first game of cricket and we won 32-103. We had a really good game and lots of out. The player of the match is Clare, she batted and fielded well. Good job.  
By Ashlee M

JUNIOR CRICKET
Today's girls junior cricket played an awesome first game. I won the toss and decided to bowl first. We bowled extremely well and batted amazingly. We won with a score of 60-18 against Killarney Heights Public School. The player of the match was Jess G. Awesome job girls, keep up the good work.
By Sallie

SOFTBALL A
It was an impressive game during the three first innings, but we took the last three to the next level. We played like we were determined to win. The score was a tie 5-5. Player of the match was Oliver R for his efforts. 
By Adam M

SOFTBALL B
On the last Friday of Term 3, we played our first game and all put in a lot of effort which paid off. The final score was 5-4 to Belrose. The player of the match was Tom M for great fielding and brilliant batting. Keep the good work up boys.

DEBATING
Team lines, models and rebuttals! Debating camp was so much fun! We started off in the auditorium and got our special t-shirts and name tags. Then we got into our groups. I was in the beginner group with Ruby. We then went into the seminar room and our teachers (Emily and Mitch) taught us how to have a debate. The next day we all did mini debates with our friends. Our topic was that we should have separate schools for boys and girls. We were the negative team. It was hard but it was also a lot of fun.
By Kate 4R

When we arrived at debating camp our names were crossed off for registration and we went onto the oval to play. Then we got into our tutorial groups. I was in the beginner group with Kate. Our teachers were Emily and Mitch. After we did some learning about debating we had morning tea. On Wednesday we watched some debates and had a mini debate of our own. I was first speaker in the negative team.
By Ruby 4R

In the last week of school I attended an overnight Debating camp. At first I was not very experienced and didn’t know a lot about debating, but I came out smarter and with a lot more knowledge. I enjoyed so much.

REMINDER

Belrose PS Working Bee
Sunday 19 October, 9.00am
As we are well into Spring we will be focusing on two tasks - Moving mulch to some of the garden beds over near the playgrounds and replacing the logs bordering the garden beds on the Ralston Ave entrance. If you have a couple of hours to spare we would love to see you there.
Although the school has some equipment, extra wheelbarrows, shovels, rakes and mattocks would not go astray (or anything else you think we might need for the tasks above).

Sally Jennings, Grounds Co-ordinator

There are a couple of events this term for the Band Program. The X Factor, which was originally scheduled for next Tuesday, has been postponed until later in the term to allow the students more time to prepare the items. The date is yet to be confirmed so stay tuned. The other event is the annual Band Breakfast at the end of the term and we will confirm the date later.
