Congratulations to our wonderful students who have received ‘Student of the Week’ awards at our assembly last week.

Today our Year 5 students have received the nomination form and information note outlining the expectations and procedures to apply for the position of ‘student leader’ for 2015. The role of ‘student leader’ is a very important one. Students deciding to take on the challenge need to understand there are many responsibilities and high expectations which go hand in hand with the roles.

By interacting with the Year 5 students, I have seen there are so many students who are capable of taking up this challenge. I wish all the Year 5 students who decide to partake in this process all the best.

There are several parents who are using the ‘No Stopping’ zone beside the pedestrian crossing in Cotentin Street to drop off and pick up their children in the mornings and afternoons. This is an illegal and very unsafe practice. It can endanger the parents and children who use this crossing by obstructing views of other motorists. For the safety of our school community please use the designated parking areas on the roads when dropping off and picking up children.

I am presently reviewing the requirements for students for 2015 including textbooks. Parents will be advised before the end of the year what their children will need for next year and how these can be acquired.

Thank you to those parents who have already responded to the request to let us know if your child will not be returning to Belrose Public School in 2015. If your child is currently in K-5 and you know that you are moving house, moving interstate/overseas, changing to a private school or any other reason could you please inform the office staff as we are already looking at class structures for 2015. Our classes and teacher entitlements are based on anticipated 2015 enrolments. Thank you for your quick response for this request.

The online application website for Selective High Schools 2016 is now open and will close on Monday 17th November 2014. No late applications will be accepted. All applications for the Selective High School process must be made online by parents at www.schools.nsw.edu.au/shsplacement.

If you need any help with the application please do not hesitate to contact me.

Barry Chamberlain

I had the pleasure of watching the girls on Wednesday at Blacktown sports centre.

Congratulations to Mr Rothwell and his team for a great performance.

The girls showed great skill and did so well.

I was proud to be a Belrose dad and be there for these girls.

These girls represented the school with honour and pride.

To lose by 1 run and a chance to play at the MCG is incredible.

For Clare S to get best and fairest for the day in the entire girls tournament is absolutely fantastic.

Big thanks to Mr Rothwell for taking the time to coach the girls in his own time on a Friday afternoon.
