Last Thursday we went on an excursion for the whole day. It was awesome! We tried bush celery. We played games.  Hayley Q

Last Thursday was the Teddy Bears’ Picnic at The Field of Mars. We went on a bush walk and we ate bush celery. It had water in it. My favourite part was when our teddy bears took our lunch with my roll and my apple.  Lucy

Last Thursday KD and KIW went to the Teddy Bears’ Picnic. The teddy bears ran away. We had to go and find them quickly. They were going to eat our lunch. We found them at the palm tree. Well, they were in a bush behind the palm tree.  James H

Last Thursday all of Kindy had so so so much fun. Edward the big teddy at the Field of Mars always falls asleep. Well, when we were out, our teddy bears escaped with our food. We had to find them. There were clues that told us what teddy bears need.  Charli

On Thursday we went to the Teddy Bears’ Picnic on a bus. We played two games and we went on a bush walk. When we got back the teddy bears had gone! We followed signs to get them. They set up a picnic with all our lunch near the biggest palm tree in Sydney with blankets and to sit on.  Lily

Wow! Kindergarten went to the Field of Mars to have a teddy bears’ picnic. We went bushwalking. We had two people named Laura and Julie. My teddy bear stole my lunch. He was naughty. We ate bush celery. I got a black teddy bear nose! My group was the Red Robins. I had dumplings for my lunch. Yummy!  Ray

I ate some bush celery. The teddies took our lunch. There were clues. I loved it! My favourite part was when we went in the cave. Then we climbed rocks and we saw a black tree and we touched it. Hayley D

T-BALL B
When I played T-Ball against Allambie Heights and I was batting my team mates cheered me on. When we were fielding everyone played their best. Even though we lost, Belrose had a good game. Player of the match was Boyd for great sportsmanship.

SOFTBALL A
We had a great game on Friday. We couldn’t have done better. We had Jake with an amazing catch. Our pitcher got six strikes in a row on the first few balls. The score was 16-2 Belrose way. Player of the match goes to Jake for his sportsmanship and beautiful catching.

JUNIOR CRICKET
On Friday 9 October the junior girls cricket had a great game. We won 16-14 and we had lots of fun. I am giving the player of the match to Charleigh for always reminding people to walk in and out. She also batted and bowled really well. Special mention to Gemma and Meriz for also playing well. Well done girls.

Wow, what a night! It was so wonderful to see Mr & Mrs Chamberlain and so many parents and friends kick up their heels and have a BALL on Saturday night. The staff at Miramare spoilt us with amazing service and delicious food. The room looked fantastic with hundreds of balloons which helped create the party atmosphere. It was a treat to watch the ballroom dancers warm up the dancefloor and it didn’t take long for everyone to get their party shoes moving. Thankyou so very much to Paul and the Miramare team, you were wonderful hosts.

Perhaps it was the LEXUS parked in the foyer, tantalising everyone, that made the live auction item of the Hunter Valley experience such a hotly contested item. It may have been Richard Meikle’s excellent auctioneer skills, and reminders that there were some amazing silent auction prizes to be bid on. Perhaps it was purely the generosity of those who donated all the auction items being rewarded. Whatever the magic ingredient was, the response from everyone was amazing. Over $6,000 was raised on the night!!! Just awesome. Thankyou to those who purchased an item, we hope you enjoy it.

I am really lucky to work with a fabulous bunch of parents who do so much to make events like this happen. There were many helpers behind the scenes, but I would particularly like to thank Jo Stracey and Christie Marks. The Ball and Auction was a huge success thanks to their enthusiasm, dedication and organisation.

**Raffle Books** Please ensure all raffle books - sold and unsold - are returned to school by Friday 15 October. The Raffle will be drawn at the school assembly on Monday 19th October. Good luck!

Another event that took an enormous amount of enthusiasm, dedication and organisation was the Inaugural Annual Belrose Band Tour to the Blue Mountains. Thankyou Andrew Fairclough, I can’t even fathom the hours you have given to make this amazing opportunity happen for our children. Thankyou to Mr Chamberlain, Mrs Meikle, Mr Hill and Mr Polovineo for joining the Bands on the Run. It is truly unique for a public school to run a band tour as a school excursion and we are very appreciative. To the other Roadies (parents on tour) thankyou for volunteering your time and helping to make the tour run smoothly.

Did the children enjoy Band Tour?

Did they have some amazing unique performance experiences? I’ll let you be the judge – check out the photos and blog at www.belroseband.com.au

Have a great week!

**Scholastic Book Club**

Issue 7 book club catalogues have been given to the children. There will only be 1 more issue of book club for this year, so don’t miss out on ordering gifts before Christmas. Orders will close Friday 23rd October. Please place orders in the locked mailbox in the office foyer. If you would like to discreetly collect ordered items just mark the order “office hold” and include a mobile number so you can be contacted when it arrives.

BAND NEWS
Well what a week it's been. Belrose Performance, Concert and Jazz bands were given an amazing opportunity of a 3 day band tour and what a tour it has been. Performances at Meadowbank, Bilpin and Winston Heights Public Schools with the highlight definitely performing in the Grand Arch at Jenolan Caves! Mr Hill and Mr Polovineo also gave us a beautiful spontaneous performance in one of the caves to show the children what acoustics can do. The tour finished off with a band workshop with Winston Heights.

As well as playing, there was an adventure at Scenic World with a ride on the sky train, scenic railway and cable car, and a walk through the rainforest where Mr Chamberlain wowed the children with his knowledge on the area. Movies at night, more spontaneous walks and sightseeing and tours of Jenolan caves.

Everywhere we went the children were complimented on not only their playing but on their exceptional manners and behaviour. Parents should be extremely proud of their children- we sure are.

A very big thanks to Mr Chamberlain, Mr Hill, Mr Polovineo, Mrs Meikle for making the tour smooth and seamless and looking after the children and to the band committee particularly Linda and Andrew for making this happen. I'm sure this is a memory that will stay in our children's hearts.

Signing off tired and ready for a good nights sleep.

Watch this space- I sure hope this is the first of many more tours to come.
This weeks newsletter item proudly brought to you by Sam Cheeseman.

PS. Thank you also to Mr Brown, Mrs Clarke and Mrs Cheeseman for helping on the tour, lots of laughs and memories. Parents, please keep checking the website, lots more photos are still to be added to the tour blog including video footage of the remarkable Lyre Birds we saw each morning, well, most of us saw. We are also setting up a Flickr account where you will be able to view and download a lot more photos.

Regards
Andrew, the one who will be looking like Mr Hill on the bus, very early tonight.
