- **Monday 27 July**  Zone Athletics Carnival

**Reminder**

**NO TENNIS TOMORROW DUE TO WARRINGAH KNOCK-OUT COMPETITION**

Congratulations to the group of enterprising Year 5 boys who have used their initiative and organised a drawing club at lunchtimes in the library. The boys run the club three lunch times a week and give lessons to other children on how to draw. Well done boys!!!

The ‘Awards Day’ for Term 2 will be held on Monday 22nd June commencing at 9.30am in the school hall. Student awards will be presented for ‘numeracy’ and ‘responsibility’. The 3 dance groups (girls, boys and junior) will be performing in front of the school for the first time. Children from K – 2 will be performing a song and Mrs Iwakura has organised a group of children from Years 2 and 3 to perform a Japanese song they have been learning. All parents and friends are welcome to attend.

Good luck to the boys and girls participating in the Manly Knockout on Friday. The school will be entering netball, senior soccer and an 11 year rugby league team. Attending staff will be Mrs Meikle, Mrs Hillier and Mrs Stephens. We hope the weather holds and the children can participate in this event.

Students in the dance groups will be performing at the North Sydney Dance Festival at Glen Street from Friday of next week and selected days and nights of Week 10. The children in these groups have spent many mornings and lunchtimes practising their dance moves. We wish them all the best in their participation in the dance festival.

The P&C Canteen survey has been completed and was presented to the P&C last Tuesday evening. The main results of the survey are in this newsletter. The PowerPoint presented at the meeting is on the school website as a PDF document in the P&C section. Thank you to Mrs Powell for her involvement in setting up and analysing the data.

Student reports for Term 2 will be sent home to parents on Friday 19th June. These will be given to children. If you find any typing errors in a report, please return it to me and it will be corrected. A new report will then be issued.

Notes for parent/teacher interviews have been sent home with children yesterday. These interviews will be held in the first week of Term 3 (check when your child’s teacher is available). We are also trialling an online interview booking process with 6W.

Have a great week

Regards
Barry Chamberlain
As we are beginning to organise Kindergarten for 2016 a reminder if you have not yet enrolled your child for next year enrolment forms are available from the school office.
THANKYOU to the band committee for organising the Police Band visit last week. It was a wonderful treat for our performance and concert band students to play with the Police Band. Then the entire school was entertained, listening to a variety of instruments and enjoying the musical performances. It was a special highlight to have an ex-Belrose student perform the school song!
No PSSA due to Manly Warringah Knockout Competition

**JUNIOR AFL**
We played Frenchs Forest and won, 81 to 0. It was a great game. I scored 6 goals in the first quarter. There were lots of highlights. Ben scored a wonderful goal but the player of the match was Ishan for showing great sportsmanship and setting up wonderful goals.

By Lukas J

**SENIOR AFL**
On Friday we played against Frenchs Forest but sadly we lost 44 to 6. Player of the match goes to Callum W because he played so well.

By Mitchell

**JUNIOR SOCCER**
On Friday we played Terrey Hills. Ben scored 2 amazing goals and Josh B scored 1 amazing goal. I think that the whole team deserved the player of the match because we all tried our best and we worked as a team. By the end of the game the score was 3 to 1 to Belrose.

By Ella

**SENIOR SOCCER**
Last Friday Belrose played Terrey Hills. The whistle was blown and we were away. It was a great and exciting match. The end result was 0-0. It was the first game and it was a great game. Every person did some great things. Jai did a great penalty kick but just missed. Jake did some great clearing. However, player of the match was Shayan for doing some awesome clearing up at the back, especially in the second half. Let's hope for a successful season ahead. GO BELROSE!!

By Sallie M

**JUNIOR NETBALL B**
Last Friday we played Terrey Hills and it was really fun. I was impressed with Emma and I think the player of the match was Grace. Everyone else did a great job. In the end Terrey Hills won.

By Yasi

**SENIOR NETBALL A**
Go Belrose, Go Go. The Belrose Senior Netball A team played Terrey Hills on Friday and they had a State player. She was my opponent. It was our first game and we have a good team. We won 10—9. The player of the match was Claudia as she was playing shooter which is not her normal position. She was also good at getting into place, breaking and driving. Well done team and Claudia.

By Lara
The Canteen survey results are in. THANKYOU to the 158 people who responded, you represent 77% of the school community and we now have some valuable information to help decide the next steps.

Some of the key findings are:

- Just over half of all parents are infrequent or rarely use the canteen but 10% of parents use the canteen more than 10 times a month
- The majority of parents use the canteen as a treat for their children. For regular users it is still a treat but the convenience and variety offered are also key contributors of use
- For the 10% of parents that rarely or never use the canteen the majority prefer to make their own lunches & treats.
- Two thirds of all parents think the canteen should either breakeven or make a profit.
- 56% of parents are happy for P&C funds to go towards an online ordering system, with 30% happy to pay higher prices to cover additional costs to process orders. The remaining 43% are happy with the existing system.
- The existing days of Monday, Wednesday & Friday are preferred by the majority of parents
- Just under a third of parents volunteer at the canteen once a term or more often. Just over half of those who do not volunteer are unable to do so due to work/ other commitments and a quarter do other school volunteer work instead.
- In keeping with the fact that most parents are using the canteen as a treat the healthier options are not being chosen as often as the parents make healthier items themselves.

For more detailed information please access the full presentation of survey results at the bottom of the P&C page on the school website found here [http://www.belrose-pschools.nsw.edu.au/p-c](http://www.belrose-pschools.nsw.edu.au/p-c)

The Canteen committee will continue with the review process. If you would like to be involved, please contact me on 0499 772 488.
