Belrose Public School

UNIFORM POLICY

Belrose Public School emphasises the wearing of school uniform by students and the upholding of high standards of dress and personal appearance by students and staff. The Belrose uniform has been decided in consultation with the community.

Rationale

The wearing of a school uniform encourages pride in the school, contributes to a sense of belonging, assists in the promotion of good discipline and effective learning and reduces to a minimum the undesirable distinctions between children in the same school that may result from wearing different clothing. It may also provide greater security for children travelling to and from school.

Expectations

Students are expected to be in full school uniform at all times and are required to bring a note to explain why they are out of uniform on specific occasions.

Children will always be told well in advance of uniform requirements for specific occasions.
